

WELCOMING NEW FAMILIES TO MELBOURNE

Are you and your family new to living in the City of Melbourne?

Do you have a child aged 0-6 years? Would you like to learn more about many free services available to you and your family, connect with other families who are also new to Melbourne and get to know the local community?

Come along to our information / playgroup sessions each week for six weeks. These sessions will help you access valuable services for you and your family. All sessions are free and parents / carers / families are welcome to bring their children.

You will find out how to:

- join and best utilise the library in your area
- access childcare and kindergarten programs
- learn about your Park Rangers and Neighbourhood Partners
- join and run a playgroup
- enrol with your local maternal and child health nurse and keep your child's immunisations up-to-date
- locate children's activities and programs, plus fun things to do in one of the world's most liveable cities.
