

## Community grant recipients 2017

Organisation Project Title	Project description	Grant
<b>African Elderly Community VIC</b> Purchase of recreational equipment	The group plays billiards in centre three times per week. The current billiard table used is old and torn and we would like to have it replaced.	\$2449
<b>Architects For Peace Inc.</b> Talks Series 2017	The project aims to foster active participations and networking, by creating opportunities for attendees to contribute to public discussions about spatial justice. While we welcome everyone, we focus on engaging with youths seeking to channel youth energy into positive involvement in the community.	\$2230
<b>ASEAN Youth Organization of Australia</b> ASEAN Youth Summit	The summit aims to serve as an avenue to facilitate intellectual discourse among the youth on prominent issues surrounding education, tourism, trade and skilled industries in ASEAN. It empowers the youth by equipping them with the facts and knowledge of ASEAN to transform them into knowledgeable individuals and passionate leaders who will lead our future and will become the voice of the youth on the global platform.	\$3000
<b>Australian Somali Women's Healthcare Community Foundation Inc</b> Sewing Project	We run free sewing classes but the machines are old and need replacing. We also have new students so we need more machines.	\$3490
<b>Cancer Patients Foundation</b> Look Good Feel Better	Look Good Feel Better is a free community service program dedicated to teaching cancer patients how to manage the appearance-related side-effects caused by chemotherapy and radiation treatment. Women, men and teens participate in a practical workshop which covers skin care, make-up and head wear demonstrations, leaving them empowered and ready to face their cancer diagnosis with confidence.	\$3000
<b>Carlton Neighbourhood Learning Centre</b> Expressing yourself through art	An art course bringing together people who are isolated in the community to develop their artistic skills and help express themselves through creating artworks by breaking down the barriers of language. The course will explore the elements of art and basic academic drawing. The course will explore art history and will culminate with an art exhibition.	\$2400
<b>Carlton Residents Association Inc</b> Residents Association	Administrative support for the Carlton Residents Association Inc.	\$1500
<b>Chinese Arts Association of Melbourne Inc.</b> Community Singing and Dancing Activities for the Chinese Seniors	Group meets weekly to provide singing and dancing activities and provide support to the Chinese seniors. Funding will support these activities. The group is coordinated by volunteers and we perform at local community events like the Chinese New Year festival, Dragon Boat festival and Mid-Autumn festival.	\$1500
<b>Chinese Community Health Advisory of Australia Inc.</b> Chinese Community Health Advisory of Australia Inc	Provide free medical and health-related information and support to community in weekly meetings, consultation groups, monthly lectures and events.	\$3000

<b>Church Of All Nations</b> Sustainable Food Education and Social Enterprise Development for Carlton Housing Estate Residents	Church of All Nations will implement initiatives towards a sustainable future and enhance our work with African women from the Carlton Housing Estate. We will extend the Family Learning Program with external training in cooking, literacy, and nutrition and business development. The aim is to offer parents opportunities for training and work participation and test the feasibility of developing a new social enterprise among these residents in sustainable food production and distribution.	\$18,400
<b>Circolo Pensionati Italiani di San Marco in Lamis</b> Recreational and healthy outings for Italian Seniors	Our group meets weekly in Canning Street, Carlton where we organise different activities for our senior members, including bocce, meals, speakers and other. As a part of our program we would like to offer two to three outings to country Victoria as many of our members no longer drive or cannot drive long distances.	\$1400
<b>cohealth</b> African Women's health and wellbeing stage 2	Cohealth would like to coordinate with local agencies and run monthly African women's education sessions relating to health and wellbeing and access and inclusion so women can be empowered to utilise services and move their families out of poverty.	\$3000
<b>Concern Australia - Steps Outreach Service</b> Staying Connected Stage 2	'Staying Connected' is a practical prevention initiative that aims to provide early intervention and educational support in the crucial primary and secondary school years to the children of Steps' past and present clients who have experienced homelessness and family violence.	\$10,000
<b>Courtney Community Garden</b> Courtney Community Garden	The Courtney Community Garden project is a resident-driven community garden. The project is designed to provide water-efficient, organic gardening options for residents, increase public utility of public land, and create a more vibrant living experience through the connection of urban food and community cohesion. The project will integrate with the wider community such as the local school and cafes, by sharing urban food expertise and produce.	\$12,218
<b>Crime Stoppers Victoria Limited</b> Crime Stoppers Tertiary Student Crime Reporting Awareness Campaign	The Tertiary Student Crime Reporting Awareness Campaign aims to empower higher education students in the City of Melbourne to safely and confidentially report crime and suspicious behaviour to the secure Crime Stoppers reporting service. The awareness campaign will give students confidence and trust in reporting crime. Material will be delivered through popular student publications and localities in a number of different languages to ensure maximum reach.	\$9500
<b>DeafBlind Victorians</b> DeafBlind Communication Tool	Develop and produce a pocket sized communication tool to enable access to and travel in and around the Melbourne area for people who are deafblind. The tool will facilitate and encourage the general public, businesses, services, taxis, public transport staff and others to communicate effectively with people who are deafblind.	\$14,000
<b>Docklands Community Association</b> community togetherness	Provide an environment for community togetherness through information sharing via emails, social events, submissions on issues, website, Facebook.	\$1000
<b>Drill Hall Residents Association</b>	Generate regular, flexible, resident driven meetings and activities for the needs of residents. For example gardening,	\$3000

Drill Hall Residents Association activities	regular meetings and the establishment of diverse channels of communication and social interaction amongst residents. Developing shared facilities/resources with neighbouring communities and organizations to facilitate wider community involvement and participation in local Victoria Square area and adjacent QVM development.	
<b>East African Elderly Association Inc</b> East African Social Activities Program	We will provide weekly social activities for older Somali men at the Kensington Neighbourhood Centre. We will provide refreshments, speakers, bus outings and other games and activities.	\$3000
<b>East Melbourne Group</b> East Melbourne Jolimont Community Magazine	The EMJ Community Magazine is a 20 page publication produced and delivered by volunteers free to every resident and business in East Melbourne and Jolimont three to four times each year. The magazine is EMG's main communication channel to foster community knowledge of, access to and engagement in local events, services and activities thereby helping to improve the connectedness, health and well-being of the community.	\$1000
<b>East Melbourne Historical Society</b> Operational support	Colour printing of newsletters and flyers and website maintenance.	\$1500
<b>EastEnders Inc</b> EastEnders Connections	To maintain and extend our existing communication and networking activities focusing on direct engagement with and between residents, local authorities and the wider community. In addition to continuing our regular functions, our focus will be on a "Know your Hood" program with a range of functions that promote social connectedness and local knowledge.	\$1500
<b>Family Planning Victoria</b> YAK Photographic Arts Project 2017	A community arts project that utilises community engagement to celebrate diversity, increase connectivity and give voice to marginalised LGBTI young people. Through a process of self-esteem and anti-homophobia workshops participants of the Family Planning Victoria YAK same sex attracted sex and gender diverse young person's social support group will produce a photographic essay that celebrates diversity and explores homophobia. The project will culminate in an exhibition curated by the participants.	\$2300
<b>Footscape Inc.</b> 'Shoes for the Needy'	Since 2012 Footscape supporters and volunteers have been collecting second hand shoes and new socks for partnering organisations to distribute to homeless persons and asylum seekers. Footscape now intends to establish a central point for cleaning and preparing shoes encompassing an organisation owned and operated washing machine.	\$1400
<b>Friends of Royal Park, Parkville</b> Communications and Operational Support	Communications support for ongoing website hosting and registration, notifications of community activities hosted in Royal Park and information and photographic displays.	\$500
<b>Gospel Hall, Yee Hong Group</b> Caring and Sharing	Providing outings throughout the year for the Yee Hong Group of senior members. Creating opportunities for them to increase physical activities so as to improve their physical and mental health. Encouraging them to adopt a more positive attitude towards life. Giving them the opportunity to improve their	\$1250

	connections with the community. Inviting guest speakers to give talks on health issues as to improve the perception of safety and good health.	
<b>Housing Choices Australia</b> La Trobe Close Community Garden Project	The La Trobe Community Garden Project will engage public housing residents in the design, establishment and maintenance of a community garden located in the communal space of their housing development in North Melbourne.	\$20,000
<b>Justice Connect</b> "Legal health check" for CALD community organisations	We will create a program of intensive legal support for culturally and linguistically diverse (CALD) community organisations in the City of Melbourne. Participating organisations will be supported through a 'legal health check' process, involving consultations, written recommendations (with legal support to implement those recommendations) and customised board training with not-for-profit lawyers. The project will increase the confidence and knowledge of committee members and the capacity of the community organisations involved.	\$19,979
<b>Kensington Association</b> Maintaining our organisation and working towards community gardening	Assistance with operational costs.	\$1500
<b>Kensington Chinese Friendship Association Inc</b> Healthy Life for the Chinese seniors	The funding will support our regular activities of our singing group, physical exercise including playing table tennis, Mahjong and pool game, crafting group, Information sessions and Outings.	\$2200
<b>Kensington Neighbourhood House</b> Improving Access for All	Undertake infrastructure works to improve front entry access to our building. The front entry area will be redesigned to accommodate a ramp with hand railing both sides and a new deck will be built over the existing veranda to achieve level entry into the House and to accommodate pram and bicycle parking.	\$19,949
<b>Life Activities Clubs Victoria Incorporated</b> Discover Melbourne Laneways: Street Orienteering	The project aims to promote a healthy activity and togetherness for older people by offering an easy walk(orienteeing)through some of the City of Melbourne Laneways as part of the 2017 Victorian Seniors Festival. People can participate in the free activity which includes a 90 minute walk, using easy to read maps and answering clues along the way. Everyone is welcome to participate.	\$2000
<b>Marco Polo Project</b> Marco Polo Peer-lab - training cross-cultural empathy	This project aims to prototype activities optimising peer-learning opportunities for native Mandarin speakers and Melbourne residents interested in China, with particular focus on self-awareness, empathy and resilience building in cross-cultural situations. The project includes: a monthly peer-learning activity, one major public event focusing on Chinese language, culture and ideas, ongoing digital engagement through social media and production of a blog or booklet to share activity models.	\$1613
<b>MAROPA Productions</b> My Other Closet, the cabaret	'My Other Closet, the cabaret' is one man's account of his true life journey to "domestic violence survivor". Through powerful storytelling and re-workings of classic pop songs, it dispels the	\$19,980

	<p>myths surrounding domestic violence, especially in same sex and gender diverse (LGBTQ) relationships. One part entertainment, one part education and awareness campaign, this production gives powerful and moving insight to the causes of domestic violence and how to end it.</p>	
<p><b>Melbourne North Police Community Consultative Committee</b> Melbourne North PCCC SPASE (Students, Police Achieving Safe Environments) Program</p>	<p>Schools, community agencies and police will identify young people who they believe are significantly "at risk" of being involved in crime as offenders or victims. Participants will attend a three day adventure and bicycle education camp with police and youth workers. The camp is designed to educate young people in respect to safe behaviour, and promote relationships with police.</p>	\$10,482
<p><b>Melbourne South Yarra Residents Group Inc</b> Melbourne South Yarra Residents Group (MSYRG)</p>	<p>The Group works to protect the interests and lives of the residents of South Yarra. MSYRG campaigns vigorously on many issues that affect our suburb. This funding will assist with the monitoring of our member database &amp; website, attending to residents' concerns, and hold regular residents meetings.</p>	\$1500
<p><b>Melbourne Sunrise Probus Club Inc [MSPC]</b> Better living for Melbourne Seniors</p>	<p>A varied programme of activities, outings, speakers, interest groups, and opportunities for social interaction allows members' cultural, ethnic, and vocational backgrounds to enrich developing friendships. Keeping costs to a minimum is important so no-one is disadvantaged in participation. Funding is sought for core running costs of MSPC, for subsidies for bus hire and pensioners' costs for activities, and for two specific tuition projects to enhance creative skill and sustainable health.</p>	\$1483
<p><b>Meld Magazine</b> Project Engage, Relate, Empower</p>	<p>Project Engage, Relate, Empower is a year-long campaign that focuses on helping international students build healthy relationships and address issues relating to gender, sex, safety, respect and empowerment. The campaign will be delivered across three phases. Engage: Making friends and building community; Relate: Exploring identity, gender and stereotypes; Empower: Decision-making and taking positive action.</p>	\$12,800
<p><b>Morning Exercise Melbourne Incorporated</b> Physical activity for women and seniors from multicultural community groups</p>	<p>The proposed activity will engage women from senior groups to access physical exercise which include Chinese square dance, line dance and Taichi. The activities will be organised five days a week from Monday to Friday morning at the front outdoor area of the Royal Exhibition Centre.</p>	\$2200
<p><b>Multiple Birth Volunteer Support Foundation Inc</b> Building Capacity to support a Victorian Volunteer Bank for Multiple Birth Families.</p>	<p>MBVS is establishing a Victorian Volunteer Bank to provide child-centred, trained, volunteer support in-home for families with multiple births of triplets or more, and also twin families in extenuating circumstances. We seek rental assistance so that our Area Volunteer Co-Ordinators can come together to plan, share, and develop the Volunteer Bank and provide ongoing education for our volunteer community.</p>	\$2994
<p><b>Muslims for Progressive Values Incorporated</b> Muslims for Progressive Values</p>	<p>Muslims for Progressive Values is an inclusive group where old and new Muslims, Muslims in mixed faith relationships, LGBT Muslims, ex Muslims, and non-Muslims are all welcome. MPV aims to provide a safe, open and non-judgemental space for people who might otherwise feel unsafe or marginalised in more conventional places like mosques.</p>	\$3000

<p><b>myriad collective</b> MYRIAD trans and gender diverse showcase</p>	<p>The project will include a performance night featuring music, dance, theatre, spoken word, and poetry by transgender and gender diverse (TGD) performers, to be held at Library at the Dock over two nights. An art exhibition featuring works by TGD artists, exploring identity and community, to be held over the course of one week at Library on the Dock. Facilitated Creative Industries Workshop featuring TGD panellists.</p>	<p>\$9000</p>
<p><b>Nelson Mandela Commemorative Committee Inc</b> Nelson Mandela Day Melbourne Celebration 2017</p>	<p>Promotion of the values that have embodied Nelson Mandela's life – democracy; equality; reconciliation; diversity; responsibility; respect and freedom. On this day, citizens of the world are encouraged to devote 67 minutes of their time to helping others. This will be done through Humanitarian support programs, Mandela public lectures culminating in the Mandela Day Multifaith church service at St Paul's Cathedral and a celebration at Federation Square.</p>	<p>\$10,200</p>
<p><b>North &amp; West Melbourne Association Inc</b> North and West Melbourne Community Cohesion Initiative</p>	<p>The project aims to support the NWMA's monthly community consultation meetings. The Association meets on a monthly basis to discuss and address the interests and concerns of the local community and to initiate activities that create social, educational and environmental benefits for the area, with regular guest speakers and a particular emphasis on planning, environmental issues, heritage protection, open spaces, community facilities and preserving local charm.</p>	<p>\$2000</p>
<p><b>North and West Melbourne Homelessness Action Group</b> "Different voices, common goals"</p>	<p>"Different voices, common goals" explores the rich cultural diversity of North West Melbourne. The visual arts project explores the notion of Community, connectedness and belonging. It will explore the common goals shared by Community and identify a symbol or concept in which to weave personal portraits and storytelling. The concept will represent the notion of home, belonging, community and diversity.</p>	<p>\$15,000</p>
<p><b>North and West Melbourne Senior Citizens Centre Inc</b> Recurring activities to support Club's core aims.</p>	<p>Funding will support the club's recurring Activities including art classes, craft activities, an art and crafts exhibition, outings for members and special events.</p>	<p>\$1500</p>
<p><b>North Melbourne Language &amp; Learning</b> Online Community Connector</p>	<p>Enhance the usability and expand the reach of innovative communication tool (northmelbourne.net) used by NAC (North Melbourne Agency collective). This tool will have a dual purpose - provide up-to-date information from up to 38 local agencies and provide an accessible online tool with information about services and events for local community. New functions will increase usability and strategic promotion will increase visits, enabling NAC agencies to service the community more effectively.</p>	<p>\$5000</p>
<p><b>Polish Senior Citizens Club Melbourne</b> Talk About Health</p>	<p>Information sessions of importance of how and why to stay healthy to improve and sustain wellbeing of our members. Club participation in Polish Festival.</p>	<p>\$622</p>
<p><b>Probus Club of Carlton-Parkville</b> Club Membership Fee Maintenance for Carlton and Parkville Seniors</p>	<p>Annual Club Membership Fee to be maintained at present level to remain affordable for Carlton and Parkville senior community members. Club membership is the core social network for many members, especially singles who live alone. It is important for their emotional and physical wellbeing to be able</p>	<p>\$1483</p>

	to continue as club members.	
<b>Refugee Survivors and Ex-detainees</b> RISE Food-Bank	The RISE food bank will provides access to free standard dry food, fruits and vegetables at the RISE drop-in centre which is opened on weekdays from 9am-5pm and Sat from 10am-2pm. Further, the Food-bank seeks to address the initial critical needs of the most vulnerable refugees, ex-detainees and asylum seekers within our community.	\$20,000
<b>Reinforce Inc</b> Melbourne Through the Eyes of a Friend	The project aims to raise awareness via creative mediums of issues faced by people with an Intellectual Disability (ID). A photographic & short film exhibition in collaboration with local business/photographers will promote diversity and inclusion, Reinforce will heightening community awareness and acceptance to encourage strength, resilience and visibility of ID & empower participants to feel a sense of belonging.	\$17,091
<b>Residents 3000 Inc.</b> Promoting wellbeing, amenity and environment and connecting CBD residents with each other	We will continue to be true to the title of the project above by embracing new and current residents. Our aim is to educate as well as create a sense of community and belonging for the residents of the CBD. We intend to hold regular events both formal and informative as well as social and informal.	\$1500
<b>Retina Australia (Vic) Inc</b> Connect and upgrade	Improve connections between our members in Melbourne and Victoria by funding mail outs notifying members of upcoming events, funding telelinks calls between socially isolated members and supporting the advertising and catering for regular morning tea and other events. Costs to include operational costs, administration, regular events and public liability insurance.	\$3000
<b>Royal Children's Hospital Early Learning</b> Integrated Clay Studio and Art Space	To build upon a recent collaboration with a local artist, to explore the benefits of working with clay as an artistic, sensory, curricular and therapeutic medium.	\$6000
<b>Salvation Army "Adult Services" Support in Public Housing</b> Community Vegetable and Ornamental Garden Project	The community vegetable and ornamental garden is a hands on project that utilises the rear court yard of the high-rise where residents can grow edible produce along with creating an environment that is pleasant to relax in. The older person high-rise accommodates 110 residents. The amount of people who make use of the garden is considerable with a fluid group of people participating in activities maintaining the garden.	\$1000
<b>Save The Children Australia (SCA)</b> It Takes a Village (ITAV)	The project will benefit up to 45 migrant and refugee families with children aged 0-6 from the Housing Commissions in Carlton. We have facilitated Intensive Support Playgroups with this group since 2012. We have identified that a significant need remains, and the community would benefit from a community-led model where weekly playgroups support families to: transition to school, improve their community connectedness, and build their capacity to manage the playgroups.	\$20,000
<b>Scope Victoria</b> Image and Text Workshops, Creative Writing and Illustration	In partnership with Melbourne Library Service, to deliver workshops in Illustration and Writing, and Creative Writing for writers/artists with disabilities. Participants will develop creative projects and work toward the outcomes of a Public Readings event and website showcasing the work produced. This project	\$12,000

	is designed to build on the learnings from workshops conducted in 2015, and to build capacity to start a self-run writing group in Melbourne Library Service venue.	
<b>SecondBite</b> Improved nutrition, improved health for people in need in the City of Melbourne	SecondBite will expand our fresh food redistribution service for 84 agencies, schools, kindergartens and refuges from one tonne per week to 1.6 tonnes per week, increasing access to nourishing fresh food for 8000 adults, children and young people in the City of Melbourne, improving their health, wellbeing and social inclusion.	\$3000
<b>Spanish Speaking Elderly Group of North Melbourne</b> Our Spanish Speaking Elderly Women in 2017	Help and support the elderly women in our community, mainly Spanish speaking women with physical exercises routine, eating healthy foods, talks on health and other important information delivered by guest speakers. Also to organize outings and special dates celebrations such Mother's Day and Christmas festivities.	\$1000
<b>St Jude's Anglican Church, Carlton</b> Carlton Debt Centre	The Carlton Debt Centre was launched in January 2016 by St Jude's as a two-year pilot project to assist low income, financially and socially disadvantaged people in inner Melbourne to get out of debt. The Centre operates in conjunction with the not-for-profit national organisation, Christians Against Poverty (CAP). Funding is now sought to continue the project for the second year.	\$12,000
<b>The Eritrean Community in Australia</b> Social Support Program	We are seeking funding to run a breadth of social support activities in response to the needs and aspirations of Eritrean residents who reside in the City of Melbourne. Our experience in running this program to date has demonstrated that it engages our members with the broader Australian community, fosters friendships and instils the values of tolerance, diversity and inclusion.	\$3000
<b>The Squeaky Wheel Productions Ltd</b> International Student Rides 2017	International Student Rides will present bicycle safety training and city orientation tours for international students. This initiative builds on the success of a pilot that was undertaken with the City of Melbourne in 2013. The program will consist of 10 free bicycle safety sessions spread over the 2017 academic year.	\$16,960
<b>The Stella Prize</b> Girls Write Up	Girls Write Up is a gender-inclusive, intersectional, daylong wordfest for teens that teaches empowerment through writing and sharing stories. Authors, journalists, activists, artists, poets and other creative thinkers will share the ways they have used their writing to define their identities and shape the world around them. Each Girls Write Up event will bring together 140 students aged 12-18.	\$10,000
<b>The University High School</b> Breakfast program	The project will consist of a breakfast program to encourage engagement with school and class concentration, as well as improving behavioural issues. Food will be pre-packed and the packs will be available for students to pick up from the Wellbeing team, which will also allow for identification of students who may need further assistance.	\$3000
<b>Travellers Aid Australia</b> Homelessness Support Points	Travellers Aid Australia (TAA) aims to reduce the impacts of homelessness by establishing 'Support Points' for people at risk of homelessness or sleeping rough by providing	\$18,250

	information, direction and referrals to homelessness and other support agencies. Additional practical support will include access to showers, internet and assistance with emergency and essential travel requirements which helps people get to a place of support within the state of Victoria.	
<b>UnitingCare Hotham Mission</b> Food for Thought	Food for Thought targets disadvantaged youth and their families by addressing food insecurity, while supporting kids to complete their education. Weekly Packages of culturally appropriate, fresh and non-perishable foods are delivered to service providers to pass on to kids and families in their network. A voucher system also operates in schools whereby welfare staff are able to provide students in need with a voucher for healthy lunch at the canteen.	\$10,000
<b>Victorian Skateboard Association (VSA)</b> All Aboard Skateboarding Sessions	All Aboard Skateboarding Sessions is a free, co-educational skateboard workshop program that's primary focus is on creating new participants in skateboarding. The sessions' emphasise gender equality by using both male and female skateboarding instructors to facilitate the sessions, including a teacher originally from Sudan. The program consists 26 weekday sessions at Kensington skatepark and the Carlton Housing Estate, building interest for 8 larger weekend sessions at the Kensington skatepark.	\$20,000
<b>WIRE Women's Information</b> Home is where the art is	This project will work with art and self-expression activities for a group of women who are homeless or socially isolated in the City of Melbourne. The project will provide opportunities for social connection, skills development, artistic expression, personal growth and validation. Their work and their stories will be published in a book that the women can then share with family, friends and community.	\$19,337
<b>YEAH (Youth Empowerment Against HIV/AIDS)</b> Agents of YEAH University Peer Education Program	This is a youth participation and leadership program which provides the opportunity for university students to become trained as volunteer sexual health peer educators and to then deliver workshops and other educational activities to promote sexual health. Students will be able to educate their peers about respectful relationships, and healthy and safe sexual behaviour, allowing them to lead the culture change around sexual health in their university.	\$10,000
<b>Ygender</b> Trans and gender diverse peer support	We will be running three events every month, with a mix of social and support focuses, to engage and create a safe space for transgender and gender diverse young people aged 25 and under. Most events will be in Carlton, where Ygender HQ is based. These events provide a way for people who are often marginalised to engage with their community.	\$3000
<b>Youlden Parkville Cricket Club</b> Community cricket outreach program: Linking school children with a community club to improve physical & mental health	We will work collaboratively with local primary schools to have community coaches deliver a high quality, entry level cricket program for boys and girls aged 5-8 years. Provide a clear pathway for local children to become involved in a local club within Royal Park North, and become more deeply connected to their local community.	\$5800
<b>Youth Activating Youth Inc.</b> Somali Cultural Celebrations	This six-day end of year Celebration is an intercultural festival that brings together people from all ages and culturally diverse	\$10,000

	communities. The event focuses on young people by using a soccer tournament as a platform to draw teams of participants from around Australia and overseas to compete in friendly rivalry.
